ACCAW President John Hawking's May Message to Our Members.

This month our members have taken advantage of the fine weather with great attendances at the Jindera Swap Meet, Hot Cross Bun Run at Brown's Lagoon, Chiltern Cancer Cruise and Morning Tea, at Howlong.

The Military Section has been very active, with nine members attending the annual Corowa "Swim In". It is always a wonderful event and this year was no exception.

Thank you Bob, for the very interesting article and photographs in the Cough & Splutter relating to the "Swim In." Also, thank you, to the Military Section of our Club for once again being involved in remembering the fallen on Anzac Day by attending the Anzac Day Parades and transporting the veterans in your Jeeps.

On a sad note, we lost a wonderful club member, Julie Morgan, who passed away on 11th March. Julie was a very active Club Member and her outgoing and friendly nature will be deeply missed by us all.

Event Coordinator Bill's run sheet indicates a drive up to Beechworth for the "Drive Back in Time" day on Sunday 5th May, Morning Coffee at "BBB" café on 15th May and National Heritage Day on Sunday 19th May.

The National Heritage Day is a great day to catch up with members from the other local car clubs for a friendly chat and to check over their cars.

The full details of all of these events are highlighted in the Cough & Splutter.

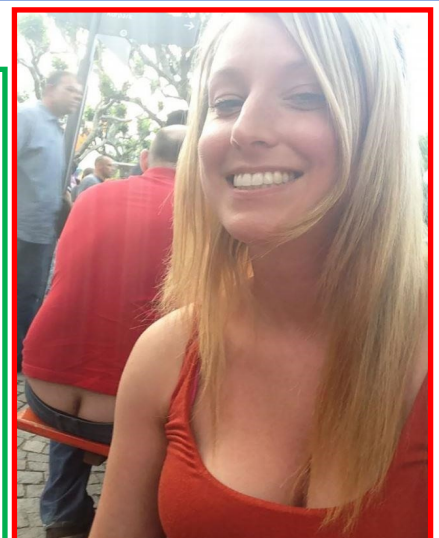

Happy motoring, President John

Winding Back the Clock—ACCAW Style No 3— with Jim & Cath McDougall

Featuring in this 'blast from the past' is Jim & Cathy McDougall who joined the ACCAW in January 2013. Jim & Cathy have provided the following immortal photographs of a number of their previously owned vehicles back in the 60's & 70's. Jim has served on the ACCAW Management Committee as Vice President in 2021, Committee Member 2016-20 & Events Coordinator 2016-17. Jim is a very regular supporter and organiser of our Monthly Club Events.

Hot Cross Bun Run—Easter Sunday— Brown’s Lagoon South Albury

An enthusiastic group of 25 ACCAW members and friends gathered at Brown’s Lagoon for our now annual Hot Cross Bun Morning Tea. The weather was sunny and warm, perfect for such an outing. The venue was ideal as the BBQ Area is sheltered and the spacious venue was clean, well manicured and bathed in shade and patches of sunshine.

A huge thank you to Deb & Peter Cooper for organising the catering and selecting a superb venue. Also thank you to Anne Webster, Bernice Robb & Lyn Mitchelson who assisted Deb with the decor and warming of the ‘Easter Buns’ as well as ensuring the venue was left in a clean & tidy condition for the next group of users.

In summing up, not a bad way to spend an hour or so on Easter Sunday Morning with fellow club car owners.

Perhaps the following might be correct:

On Good Friday, bread loaves bearing an imprinted cross were eaten in England from the end of the fourteenth century. Buns were also baked with a cross marked on them. They are said to have originated at Saint Alban’s Abbey in 1361, where the monks baked and then distributed the buns them to the poor.

The ACCAW Military Group 4 x 4 Easter Event—Monday 1st April 2024

This year our event was somewhat subdued as our members and partners opted at the last minute to drive our 'modern vehicles' for our annual drive and get together, which is now in its 28th year. In the early days, our group preferred to take our military vehicles on an off road drive and camping experience spread over 4-5 days on the Easter Weekend each year. Some Easter weekend drives later incorporated a more relaxed adventure as we opted for motel style accommodation rather than the camping experience. The past few years has seen our Easter Adventure refined to a day trip only, which was the case this year whereby we opted for a back road drive in our vehicles on Easter Monday morning, culminating in a gathering at a local hotel for lunch and drinks. This year, the venue was the Holbrook Hotel. No doubt next year, all of our military vehicles will be firing on all cylinders and the 4 x 4 off road drive adventure will be reinstated.

The series of photos below and on the next page have been provided by Kevin Day, Lloyd Aylward and Bob Bevan, depicting numerous Easter Weekend adventures over the past 28 years that the Military Section of the ACCAW has conducted '4 x 4 Easter Adventures'. The photos provide some great memories.

Winding Back the Clock—ACCAW Style No 4 – with John & Anne Webster

Another 'blast from the past' featuring John & Anne Webster who joined the ACCAW in March 1994. John & Anne have provided the following intriguing photos of earlier times. John has previously served on the ACCAW Management Committee (1998-2004 & 2008-10) and has held the position of ACCAW Property & Librarian Officer for the past 11 years. Anne was the former Editor for the ACCAW for 6 years (2017– 2022) & is a current Committee Member (2007-24) who was awarded Club Person of the Year in 2018. Together, both Anne & John have been responsible for the distribution of our Club's Newsletter for the past 9 years.

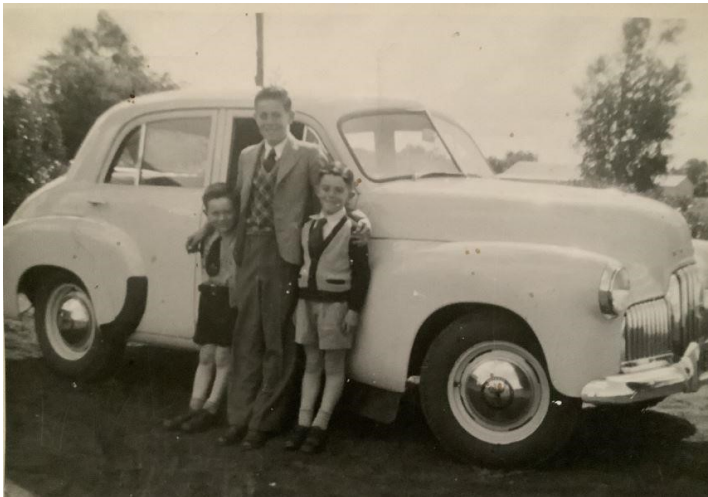

1961—John's first car, a 1959 Model VW purchased in Albury NSW for 400 pounds in 1960.

2004— John, forty three years on from the previous photo, admiring his pride and joy, the 1955 FJ Holden.

1963—John & Anne shortly after their engagement—Wingham NSW. The trusty orange VW is in the background.

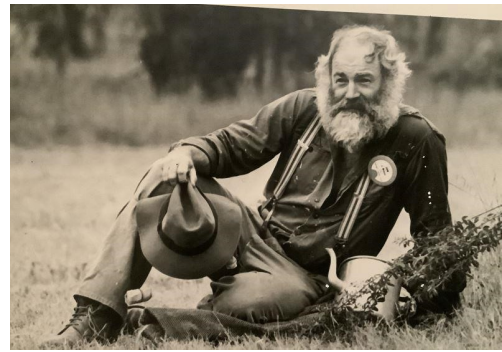

1953—John leaning against his father's 1948 FX Holden with his younger brothers, Mervyn & Desi—Oaklands NSW

2014— Car Club Members helping to push start John's FJ Holden. I assume that Anne is taking the photograph — Bandiana Vic.

Feb 2007—John supervising the arrival of Geoff & Janet McMahon in their MGB - ACCAW 40th Anniversary Tour—Yackandandah Vic.

1985—John was the winner of the beard growing competition at the Oaklands School Centenary Celebrations.

Photos & information should be forwarded to the Club's email address. (accaw2018@gmail.com)

50th Kalimna Rally—Organised by the Wodonga Historic Car Club

Friday 1st—4th March 2024—Report submitted by Bernice & Graham Robb

This year Bernice and I attended our 2nd Kalimna Rally, this being the WHCC 50th Year of running of this historic event. Fellow ACCAW Club Member John Shepherd, also attended.

As usual this rally brought visitors together from a wide range of locations throughout Victoria and South East NSW, including the ACT. Participants travelled from places such as Young, Canberra, Ballarat, Myrtleford, and Kyabram.

In other years the Kalimna Rally has been held in other local districts, but this year it was based around the Albury Wodonga area, with the Wodonga Stage Coach Caravan Park being made headquarters.

The Rally ran from Friday 1st March to Monday 4th with a total of 34 entries with a wide variety of cars.

The weekend began with a meet and greet. Saturday commenced with a tour of the Bandiana Army Museum then onto the Bethanga Pub for lunch, then back to Wodonga for the evening meal.

Sunday was a trip to Alan & Reg's Farm, Dederang (Upper Gundowring), where the Wodonga Lions Club put on a fabulous BBQ for our evening meal.

Monday was a farewell Breakfast catered by the Wodonga Historic Car Club. Overall we had a very pleasant weekend meeting and talking to some great like minded car people. Thank you to the organising committee of the Wodonga Historic Car Club for again organising such a superb event. We will be looking forward to 51st running of this event at the same time next year.

2024 Kalimna Rally participants line up at Alan & Reg's Farm, Upper Gundowring.

Participants enjoy morning tea at Alan & Reg's Farm—in the background are some 29 tractors and a number of Holdens they have owned since new.

Kalimna Rally Saturday Evening Dinner—venue: The Venue Restaurant, Wodonga.

Military Land Rovers at the Bandiana Army Museum—one of the exhibits that the rally visited over the 3 day event.

Coffee Morning—Howlong Bakery—Thursday 18th April

The moderate drive to the Bakery in the centre of Howlong provided another opportunity to give Club Members the chance to take their Club Vehicles on a 'decent' run that doesn't take up the entire day. It was also notable, the interest that our Club Cars create amongst passers by and the general community when simply parked in the street. The photograph below depicts most of the members and friends who joined in on the day.

As a matter of interest, our next Monthly Coffee Morning will be conducted on Wednesday 15th May—to be held at 'The White Owl' - also known as BBB's—opposite Noreuil Park, South Albury. Why not come and join in?

Two New Additions to the Club

Photo Left & right

Merv Cosbie’s long awaited arrival—after a very patient search and many hours of re-search, Merv was able to arrive at our March Coffee Morning with this very impressive 1957 Austin A90 / 2.6 litre / 6 cylinder / 4 speed manual. Hoping to see Merv’s Austin at many of our rallies in the coming months.

1939 Pontiac Sedan

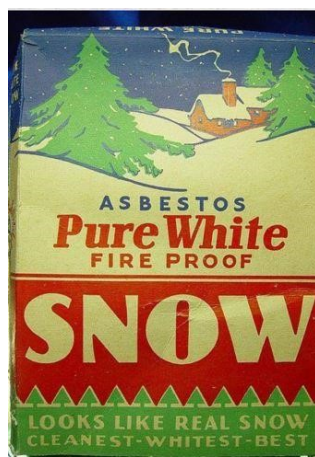

owned by Michael Cole.

This striking Pontiac made its’ debut recently on our Chiltern Leisurely Drive Event in March.

Our members will look forward to having a closer inspection of this vehicle on its’ next outing organised by the ACCAW.

Remember When??

On the 24th October 1934, residents in Albury assisted in the night time emergency landing of the Dutch KLM aeroplane Uiver, at the Albury Race Course. The Uiver (‘The Stork’ in Dutch) was taking part in the London to Melbourne MacRobertson International Centenary Air Race.

‘Dad Jokes’ ha ha ha!

What has a spine, but no bones? A book!

A duck walks into a bar and buys everyone a round. He then tells the bar tender, “put it on my bill!”

What do rabbits need after getting caught in the rain? A hare dryer!

Sunday May 12th— To all the Mothers associated with the ACCAW Inc., the Committee trusts that you will have a wonderful day.

Happy MOTHER'S Day

JINDERA SWAP MEETING/SHOW AND SHINE—MARCH 24TH 2024

By 7.30am the swap was in full swing, the show and shine area, again at the rear of the school next door to the swap area was filling rapidly.

The swap area, which was set out differently to past years due to the construction of the skate park and children's playground area, was easy to navigate with ample room to manoeuvre and pause for the occasional chat etc.

Catering was good, toilets plenty, coffee outlets were numerous, therefore overall congratulations to the Morgan Country Club on a great job. A lot of hard work goes into such an event like this.

A number of ACCAW members were spotted during my stroll around the swap stalls. A number of ACCAW Club Cars were also spotted in the line up of vehicles, which was again filled to capacity.
