Goulburn Valley Motor Vehicle Drivers Club Inc

Statement of Purposes

To foster recovery, restoration and preservation of all types of self propelled vehicles that fall within the broad meaning of the terms -

- Veteran (pre 31-12-1918)
- Vintage (1-1-1919 to 31-12-1930)
- Classic (1-1-1931 to vehicles older than 25 years)

To conduct the sport of motor vehicle rally driving so as to promote and encourage that sport.

To conduct such events and activities as the Committee considers appropriate to:

- (a) increase the members' awareness of our motoring heritage, and
- (b) enable the exchange of information and vehicle parts between similar clubs and interested members of the public.

JOURNAL

Contributions for the next Journal should be to the Editor by the end of this month.

Vice President's Report

All of the signs are indicating that spring is 'springing'; the strange yellow orb is intermittently re-appearing in the sky, the daily high more regularly creeps above 19°, the list of upcoming events in the Journal is stretching once again, and our very own Shepparton Swap Meet is on the agenda.

Please check the latest version of the Swap Roster, make sure that you know when and where your club needs you to stand up to be counted, and please be there in good time. A couple of hours manning a gate or BBQ is not a big ask, particularly when compared to the time and effort Lloyd, Kris and the Swap Meet Team have put into lining up all of the ducks for another year.

Another sign that spring is imposing itself is that all of those undesirables that hibernate during the cooler months are beginning to stir, and all of those species that migrate north to the warmer climes for winter are beginning to return. Amongst this latter group, there have been several reported sightings of the species Rutherford Neilus in the traditional Kyabram nesting grounds. I should clarify here that Rutherford Neilus belongs to the migratory genus, not the less desirable hibernation genus. Rested and refreshed after an extended break in the northern regions of this great land, our President is ready to throw himself back into directing our club at the September general meeting.

Regards,

Robin Fletcher

From the Editor

The weather is starting to warm up, and the events calendar is starting to fill up in the same way. We had the Marong Picnic on the 27th, which was a good day out, and there are some regular favourites coming up, like the Euroa Show and Shine on 1st October.

This Journal is out a week early because the Swap Meet is on Sunday. Please check the swap rosters on p16-17 and be on time for your shift. If we all contribute, the day should be a big success. If you're still around towards the end of the day, please help with the clean-up of the showgrounds.

I heard a rumour that Denis Burr recently celebrated a significant birthday. Happy birthday Denis and keep up the good work (in the shed).

Don't forget to wear your name badge at the meeting so everyone knows who you are!

Regards,

Brendan Walsh

If you're not receiving a monthly email advising of a new Journal being available on our website, then you need to let me know! Just send a message to the Club's email address (top of page 2) and I'll add you to the list. Over 150 members now get this monthly message, plus other messages from the Club between Journals.

General Meeting Minutes

Minutes of the General Meeting held Thursday 10th August 2023 at the clubrooms with 59 members and three visitors in attendance, and apologies from 12 members being recorded.

Vice-President Rob Fletcher opened the meeting at 8pm and noted meeting protocols. He then drew members' attention to three recent bereavements in our club. The loss of Anne Smith, Irene Berdini and Phillip Shipard were reflected upon by a minute's silence.

Minutes:

The minutes of the July 13 meeting, as published in the Journal, were accepted following the motion of *David Grant, 2nd Don Brisbane*. No business arising although Allan Weeks drew attention to the Journal's Bendigo Swap date error of one day and that member Ian Jensen of Kyabram being unwell.

Correspondence:

1. Numerous newsletters from other clubs available on a front table.
2. Emails with Vline contractor's project engineer responding to club concerns about use of our parking area by construction equipment and assuring us the area would be left in its original state about early October when works are completed.

Correspondence accepted following the motion of *David Vibert, 2nd Allan Weeks*.

REPORTS:**Treasurer's Report**

Peter Vibert presented the meeting with a four page report and highlighted \$2660 income from Mystery Tour deposits, early membership receipts, plus Swap site and sponsorship income since July 13.

Peter Vibert recommended acceptance of his report, *2nd Vic Baker*, and carried.

Events s/c

Club Captain, Leigh Johnston noted that 22 vehicles went on the July 26 Echuca run. He then directed members to the August Journal for the listing of coming events (Aug.16 Numurkah/Tocumwal and Aug.27 Marong Federation Picnic). Forthcoming rallies and events of other clubs at Wangaratta, Deniliquin, Warragul and Euroa also were mentioned. Our October 18/19 Midweek Mystery Rally has attracted 25 entrants.

Catering s/c

Julie Mahoney directed members to her Journal article.

Facilities s/c

Greg Sutherland indicated a working bee was scheduled for 8am 12th August.

GUEST SPEAKER:

Les Hughes (GV Batteries) entertained members with information about battery changes over the past 50 years. Interesting comments about 8-volt replacements for 6-volt units (with voltage regulator adjustment) were made and the better reliability of circular cell batteries with their fewer internal connections because of the continuous plate construction.

GENERAL BUSINESS:

Club registration : Peter Vibert posted a listing of 271 vehicles that had been 'Red Plate' registered in the past year or so. The listing, displayed on the notice board, has highlighted a few vehicles for which he has not received registration renewal details. Presumably these are either registered by some other means, sold or off the road. Members were asked to check that vehicles they have registered through the club are properly designated.

Next Meeting : September 7 (one week earlier than our usual meeting date).

Meeting closed at 9pm and followed with supper.

Committee Notes

Notes from the Committee meeting held on 24th August 2023.

- Damage caused to our parking area by contractors associated with the rail stabling facility opposite has been acknowledged and it will be left in the condition it was prior to their use.
- Swap meet arrangements are progressing well. There are still a few spaces in the rosters – members will be reminded in the Journal.
- The ATO is still deliberating in relation to the proposed tax liability for not-for-profit clubs. The Federation proposes to have a seminar on it when details are released. The Federation’s recent Peter Mac Appeal raised over \$5500.
- A shorter touring rally is being planned for 2024 to Canberra and Cooma. Further details to follow.
- Hugh MacFadyen spoke about a collection of motoring books from an estate. They will be advertised for purchase by Club members. If not sold, will go into the Club library.

Catering Notes

As this month’s Journal is going to print a little earlier, I am not actually able to report on the outcome of the catering for the Federation North West Tour. However, our aim is to provide a variety of filling, delicious meals for those participating. Thursday and Friday will certainly be busy in the clubrooms with preparation, and we all hope the people on tour enjoy our club’s hospitality.

Again, the ordering and organising for the Swap is as up to date as possible at this time. Now we just need to hope for good weather and plenty of food being bought by those attending the Swap. Saturday will be spent in preparation for the actual Swap day on Sunday, so both days are very busy. Thank you in advance to all those who are able to give their time and skills, to help out in the canteen or BBQ areas.

I look forward to seeing you all on Sunday the 10th.

Kind regards,

Julie Mahoney

Rally Report

Saturday Social Day, Clubrooms – Saturday 12th August 2023

On Saturday 12th August 2023 we received many of our regulars attend the day, with casseroles in arms.

We chatted and shared all that had happened since our last Social Day. It is lovely to have our regulars attend month after month.

Thanks to all that brought along a casserole to share – they were really delicious and so were the ice cream sundaes. Many thanks to those that brought along gifts for our raffle table. As always there were many useful prizes to be won.

Look forward to seeing you all for our September Social Day.

Kind regards,

Sandra

Rally Report

Club Coffee Run to Numurkah and Tocumwal – 16th August 2023

The August Coffee Run to Numurkah and Tocumwal proved very popular with our members.

The Numurkah Bakery handled the influx of visitors very well. After coffee and cake, it was off to the Terminus Hotel in Tocumwal. We were allocated to dining rooms, both with open fireplaces keeping the rooms warm. The meals ordered off the menu were excellent.

After lunch and catching up with friends it was time to head home, some opting to tour around the town and about a dozen stopped off at the Big Strawberry for coffee. Leigh seems to have the knack of picking great weather for these runs.

Rally Report

Federation Picnic, Marong – 27th August 2023

With a bit of encouragement from our Club Captain, we got a good roll-up of members to this picnic on the other side of Bendigo (about 80miles/130km away).

The day was fine and we gathered opposite Maccas in Mooroopna for an 8am start. A few more members were picked up at Stanhope and there was another short pit stop at Goornong.

The display vehicles at Marong were back on the oval this year, presumably the ground was firmer than last year when all were parked around the outside track. Numbers were down on past years – only about 75% of the oval was used and the rows were well spaced. But there was still a good variety there, from veterans to near-modern.

I didn't get a chance to take photos of the North-West Tour vehicles – too much chatting to others about their cars! Hopefully we'll get a report on the tour in next month's Journal.

THE BIGGER ALL-ROUND MOTORING EXPERIENCE.

NEW SCIMITAR GTE[®] HIGH PERFORMANCE ESTATE

Meet the new Scimitar GTE.
A new, bigger way of motoring.

New legroom—deep, wide bucket seats at the front. Bench-type seating at the back offering spacious luxury for two and room for the occasional third.

New elegance—the shape of today, with a new, long, low line. And there's more than just breeding. It's a rust free exterior that keeps the value up: glass fibre body, rubber bumpers, stainless steel trim.

New convenience with a compact

fascia and console that clearly reveal everything from revs to worn brake pads. Easier parking too, with optional power-assisted steering.

New space—a 21 cubic foot luggage compartment opens up to 40 with both back seats down.

With it all comes the Scimitar's famous performance and a top speed approaching 120 mph. At 70 on the motorway, it holds the road as if it were on rails. This is a new kind of ride—quiet, calm, refined. Back in the High Street,

it's just as easy at 30. Yet it returns 22-28 m.p.g. More with careful driving. Next step: experience it.

To: Marketing Services, Reliant Motor Company Ltd, Tamworth, Staffs B77 1HN, or phone Tamworth (0827) 69595 any time.

Please send me more details about the Scimitar GTE.

Please arrange a road test. If under 18 tick her

Books For Sale

Hugh MacFadyen has provided a list of motoring books from an estate that are for sale to Club members. All books are in very good to excellent condition.

If you're interested in any of them, please see Hughie at the club meeting. Prices would start at about \$100 each but some may not be worth that much. If you think that, make an offer.

Books that aren't sold over the next month or two will be donated to the Club library.
